

24/7 Fob Access

24/7 access Fob will be issued to you at no extra charge, however if you miss place your fob and require another one there will be a charge of \$25.00 for the first replacement and then \$50.00 for any replacement after that.

Each member must have their fob to gain entry when the gym is not staffed and should not be given access by another member unless organised with a staff member prior. A box will be provided at the front counter for all casual visits to place their entry fee into.

There will be emergency buttons around the gym to be used only in the case of an emergency only, misuse of the emergency buttons will incur a \$500.00 fine. If you are here at a time that the gym is not staffed please wear a call button in case of emergency and make sure you have someone to spot you when lifting to avoid serious injury or death.

All side exit doors are armed with an alarm so must not be opened except in case of an emergency for eg. Fire. The front door is your point of access and exit.

Security cameras are placed through out the gym, inside and out for your safety and will also be covering off limited areas.

Please read the Disclaimer very carefully to make sure that you understand it fully.

If you have any questions please ask a staff member.
